EE 315 Lab Assignment for Week 04

- *Download the empty project folder.*
- *For this assignment your task is to write an assembly code that represents the C code below:*

```
int x,y;
for(int i = 5; i>=0; i--){

    x++;

    for(int k = 5; k>= 0; k--){
    y++;

    }
}
```
